About Rainbows

Rainbows is the only hospice in the East Midlands dedicated to providing specialist health care and family support services for babies, children and young people with serious and terminal conditions.

Our volunteers are invaluable. They help us to deliver a vast range of services across the organisation, through helping either at the Hospice, externally at a range of events in the community or at one of our shops. The truth is we can't do our work without the help of our volunteers – together we bring more love, smiles and laughter to our children and families.

Our commitment to diversity and inclusion

At Rainbows, we are committed to building a community where everyone feels seen and valued. We are dedicated to creating an inclusive environment that embraces diverse backgrounds and perspectives. We want every person, no matter their background, to feel empowered to share their stories and ideas. By fostering respect and equity, we aim to drive innovation and make a positive impact for everyone involved. Let's collaborate, celebrate our differences, and make a lasting impact!

Our values

At Rainbows, our values are evident in everything we say and do; they are what makes Rainbows so special. All volunteers should be aware of our values and strive to always uphold these values and behaviours.
