## Adrenaline seekers wanted!

Take a leap of faith and feed the thrill-seeker hiding within, by taking part in a charity tandem skydive for Rainbows.

For many, skydiving is a once in a lifetime experience, giving you the chance to freefall **10,000ft** and reach speeds of up to **120mph**. It's also an amazing way to fundraise for us... and what's perfect about this challenge is that you can take part wherever and whenever you want; with no experience required!

## How will Rainbows support me?

When you take part in a charity tandem skydive for Rainbows, we'll be with you every step of the way to help with your fundraising.

We'll give you:

- a Rainbows supporter t-shirt
- a fundraising pack full of brilliant ideas on how to increase your fundraising
- all the support you need from our friendly fundraising experts, who are on hand to help you set up your online fundraising page, give you hints and tips and work with you to help you reach for the skies and hit your fundraising targets!

## Can Rainbows offer help with the price of the skydive?

You can either self-fund, or claim back some of the price of your skydive:

- if you raise over **£250 per person** in sponsorship money (excluding gift aid) you can claim back **£100** of the price back from Rainbows.
- if you raise over **£600 per person** in sponsorship money (excluding gift aid), you can claim back the full amount of the price of your skydive from Rainbows (up to £260).

If you are planning to claim back some or all of the price, there are a few implications from a gift aid perspective. Please contact us before asking for sponsorship from friends and family, so we can share the information with you.
