

# The Big Currency Collection

Do you and your colleagues have foreign currency left over from your holidays?  
Or perhaps your company has some left over from international business trips?

Small amounts can be hard to exchange back to sterling, so instead of those notes and coins sitting in a drawer for years to come, you can donate any of your leftover currency to Rainbows and we will convert it into a donation to help us to brighten short lives.

## Bringing smiles to Rainbows families, what a way to end your holiday

Could your company hold a currency collection at your office? You will be amazed how much you can raise together!

## How it works

- 1** Arrange a day, week or even a month where you encourage staff to bring in their foreign currency to donate to Rainbows
- 2** Nominate a member of the team to collect the donations, or create your own collection box where people can deposit their currency
- 3** You can drop the collections off at one of the below locations, or we can collect it if needed

### Drop off at one of our charity shops:

Beeston, Blaby, Loughborough,  
Market Harborough, Melton  
Mowbray or Wigston

### Drop off at the Hospice:

Lark Rise,  
Loughborough,  
LE11 2HS
