

Supporting Rainbows through your Hospitality Business

Rainbows relies on people supporting us through fundraising to ensure we are able to continue to provide care and support to the babies, children, young people, and families who are supported by Rainbows.

The ways in which you could support or fundraise for Rainbows are limited only by your own imagination and creativity! Don't just plan alone, get others involved to help you and come together to have fun and raise money for Rainbows.

Here are some easy ways to get started:

Rainbows Dish – Could you choose an item off your menu and donate a percentage of the meal price or a set amount to Rainbows? If you're looking to do this, we'll just need to setup a simple agreement with you.

Themed Quiz Night – Encourage customers to gather a team and test their knowledge for a good cause. Boost the evening with a raffle.

Games Night – Have some competitive fun by hosting a darts, pool competition or board game night.

Fun Day – Get families involved for a day of fun activities games and competitions, face painting, live entertainment or magic. Why not have a treasure hunt or craft table to entertain the children?

Sponsored Challenges – Get the staff involved in a static bike challenge and pedal for a purpose. Aim for a distance or miles in a certain time and get people to donation/sponsor while you are pushing to the limit to make a difference.

Themed Dining Experience – Host a special themed dinner night at your venue, maybe an around the world menu?

Dessert Auction – Get a local bakery or your chef to make unique desserts and then auction the items to your diners.

Cooking Class Fundraiser – Arrange for your chef to teach a small group how to make a signature dish. Charge for them to participate and include a tasting session.

Charity Cocktail/Dessert – Sweet and Spirted for a good cause! Be creative and have a special Rainbows Cocktail/Mocktail or Dessert and donate the sales to charity.

Pay What You Want Menu – Encourage and inspire generosity. Create a special menu and guests pay what they feel is fair. All the proceeds above the cost get donated to charity.

Raffles – Team up with local businesses for donations and have a raffle with a difference. Maybe theme them around the time of year, maybe Easter eggs and Easter bunnies.

Themed Fancy Dress Night – Get ready to swap your everyday clothes and release your creative side. Chose a theme for the evening and charge an entry fee. A night of fun and laughter while helping to raise vital funds for a great cause.

Live Music – Host a charity gig partnering with local bands. Are there local bands wanting opportunities to promote themselves? Let them headline the evening and this will be a great way to attract fans and potentially new customers. Encourage donations for attending and throughout the intervals.
