About Rainbows

As the only children's hospice in the East Midlands, Rainbows cares for hundreds of families every year who have a baby, child or young person with a life-shortening and life-threatening illness, meaning their lives will be shorter than most.

We support every baby, child and young person to fulfil their potential, and help families make the most of every precious moment, while capturing memories and keepsakes to treasure.

We're here for the whole family, offering comfort and compassion during tough times, providing the highest level of professional care until the end, and supporting the family for as long as they need us. Simply put, we're here to brighten short lives and support families, wherever they are.

Your support makes a big difference

It costs over **£9 million** a year to keep our doors open... but we only get a little funding from government bodies, **roughly 15%**, which is enough to keep our doors open for **approximately seven weeks**. The rest of our funding comes from supporters – **every gesture counts, every penny matters**.
